

NEIGHBORFEST

*Where Neighbors become friends
and friends become family*

What is Neighborfest?

Neighborfest is an annual event at St. Paul Lutheran Church that seeks to share the love of Jesus Christ with people of all ages in our community. The day offers live music, lunch, bounce houses, family friendly games and crafts, a large vehicle display and special guests. The congregation of St. Paul provides all the food and materials for the event so there is no cost to people who attend.

At Neighborfest, St. Paul also seeks to accomplish community service projects. This year we will be hosting **VIP** to provide Child Fingerprinting and we are accepting donations for the Branch Area Food Pantry and The Humane Society of Branch County.

The Large vehicle display and special attractions are made possible by the generous partnering with local service agencies and businesses such as the Branch County Sheriff Department; Michigan State Police Post; the Coldwater Police Department; Coldwater BPU; The Branch County Road Commission; the Coldwater Fire Department; Cottage Inn Pizza; Hines Farms Donbrock Farms; Albright Farms; Haylett RV and many more.

Join us at Neighborfest on **Saturday, July 8, 2017 from 10 a.m.-3 p.m.**
