

NEIGHBORFEST

*Where Neighbors become friends
and friends become family*

What is NEIGHBORFEST?

Neighborfest is an annual event at St. Paul Lutheran Church in Coldwater that seeks to share the love of Jesus Christ with people of all ages in our community. The goal is to inspire care for our community neighbors by collecting donations for the Branch Area Food Pantry and The Humane Society of Branch County and by hosting other community services. This year we are offering Child Fingerprinting; Voter Registration; and the Victims Services Unit. Needs for the BAFP and the Humane Society are listed on our website and FACEBOOK page along with information about how to donate for those who are unable to attend. We are also happy to accept monetary donations during Neighborfest for these worthy causes.

The day offers live music by Christian musician, David Paul Britton; a hog roast and hot dog lunch; bounce houses; family friendly games and crafts; an emergency vehicle display including a police dog & handler, Fire truck, Police squad cars, & Ambulance; and special guests like The Dark Knight of Michigan. The congregation of St. Paul provides all the food, volunteers and materials for the event so there is no cost to people who attend.

Neighborfest is made possible by the generous volunteers from the congregation of St. Paul in partnership with local service agencies and businesses such as the Branch County Sheriff Department; the Coldwater Police Department; the Coldwater Fire Department; LifeCare Ambulance; Cottage Inn Pizza; Hines Farms; Donbrock Farms; Albright Farms; VIP; the County Clerk's Office; The Dark Knight of Michigan and many more.
