

Do you know about AmazonSmile?

Support missions with normal shopping habits

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice. Every item available for purchase on www.amazon.com is also available on AmazonSmile **smile.Amazon.com** at the same price. ~amazon.com

You can pick from a whole list of 501(c)(3) organizations. This month we want to let you know that the church is set up to receive any funds earned.
